SBE Refresher 1 – International Research

Massachusetts Institute of Technology Affiliates - Data or Specimens Only Research

Quiz

Instructions: Please provide an answer for all questions. Each question is one point. Click on the Submit button to register your answers. After submitting your answers, the correct answer to each question and an explanation will be displayed. Navigational links to the next module will also be provided.

All quiz questions count towards your score. You should answer all questions.

Question 1

Which of the following activities constitutes engagement in research?

- ☐ Obtaining subjects' permission for researchers to contact them.
- ☐ Providing potential subjects with written information about a study.
- ☐ Informing prospective subjects about the availability of research.
- ☒ **Obtaining informed consent and conducting research interviews.**

Question 2

If federally funded research involves collaboration with an organization that is "engaged" in research in a foreign country, the foreign organization can rely on the U.S. institution's IRB for its review.

- ☒ **True**
- ☐ False
